### NOTICE-AND-ACCESS

The Company has elected to use the notice-and-access provisions under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 *Continuous Disclosure Obligations* of the Canadian Securities Administrators (the "**Notice-and-Access Provisions**") for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Company to post the Information Circular and any additional materials online. Shareholders will still receive this Notice of Meeting and a form of proxy and may choose to receive a paper copy of the Information Circular. The Company will not use the procedure known as "stratification" in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Information Circular.

**Please review the Information Circular carefully and in full prior to voting as the Information Circular has been prepared to help you make an informed decision on the matters to be acted upon. The Information Circular is available under the Company's profile on SEDAR at [www.sedar.com](http://www.sedar.com) and at <https://worldcopperltd.com>.**

Any Shareholder who wishes to receive a paper copy of the Information Circular should contact the Company at Suite 2710 – 200 Granville Street, Vancouver, British Columbia, Canada, Attention: Marla Ritchie, Corporate Secretary, or by telephone at 604-331-0096. Shareholders may also use the toll-free number (1-888-331-0096) to request a copy of the Information Circular and obtain additional information about the Notice-and-Access Provisions.

In order to ensure that a paper copy of the Information Circular can be delivered to a requesting Shareholder in time for such shareholder to review the Information Circular and return a voting instruction form or proxy prior to the deadline, it is strongly suggested that a Shareholder ensure their request is received no later than **May 5, 2021**.

**DATED** at Vancouver, British Columbia, this 7th day of April, 2021.

## MANAGEMENT INFORMATION CIRCULAR

**This Information Circular is being furnished in connection with the solicitation of proxies by the management of World Copper Ltd., formerly, Allante Resources Ltd. (the "Company") for use at the annual general meeting (the "Meeting") of the holders of common shares in the capital of the Company (the "Shareholders") to be held at Suite 2710 – 200 Granville Street, Vancouver, British Columbia, Canada on Friday, May 14, 2021 at 9:00 a.m. (Vancouver time) for the purposes set forth in the accompanying Notice of Meeting.**

**In light of the ongoing public health concerns related to the COVID-19 pandemic and for the health and safety of our shareholders, employees, advisors and other stakeholders, we strongly encourage Shareholders to vote in advance of the Meeting by proxy instead of attending the Meeting in person.**

We ask that anyone considering attending the Meeting in person review the most current advice of the British Columbia Ministry of Health and the Public Health Agency of Canada. Public health restrictions and recommendations may require that we restrict the number of people in attendance at the Meeting. Any persons attending the Meeting will be required to comply with health and safety measures that we may put in place. **You should not attend the Meeting if you or someone with whom you have been in close contact with are experiencing any cold or flu-like symptoms, or if you or someone with whom you have been in close contact has travelled to/from outside of Canada within the 14 days prior to the Meeting.**

Registered shareholders and duly appointed proxyholders who regard their physical attendance at the Meeting as essential are asked to contact the Company at 604-638-3287 or marla@worldcopperltd.com prior to 5:00 p.m. (Vancouver time) on Wednesday, May 12, 2021 so that appropriate measures can be put in place to facilitate physical distancing and other precautions or alternative participation arrangements made to ensure the health and safety of all attendees. The Company will follow the guidance and orders of Provincial and Federal public health authorities in that regard, including those restricting the size of public gatherings. Each such shareholder or duly appointed proxyholder will be asked to complete a declaration regarding COVID-19 related health matters prior to being admitted to the Meeting.

The declaration will require the shareholder or duly appointed proxyholder to confirm that:

- they have not been outside of Canada in the last 14 days;
- they do not share a household with someone who has been outside of Canada in the last 14 days;
- they have not, to their knowledge, been in close contact in the last 14 days with someone who has been diagnosed with COVID-19; and
- they are not suffering from any cold or flu-like symptoms.

## GENERAL PROXY INFORMATION AND CIRCULAR DISCLOSURE

### Persons Making the Solicitation

While it is expected that the solicitation of proxies will be primarily by mail, proxies may be solicited personally or by telephone by the regular employees of the Company at nominal cost. The Company may reimburse Shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute proxies. All costs of solicitation will be borne by the Company. None of the directors of the Company have advised that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

### Notice-and-Access

The Company has elected to use the "notice-and-access" process that came into effect on February 11, 2013 under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") and National Instrument 51-102 *Continuous Disclosure Obligations* ("NI 51-102") of the Canadian Securities Administrators, for distribution of this Information Circular and other meeting materials to registered Shareholders and non-registered Shareholders as set out in the "Advice to Non-Registered Shareholder" section below.

Notice-and-access allows issuers to post electronic versions of meeting materials, including information circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to shareholders. The Company anticipates that utilizing the notice-and-access process will reduce both postage and printing costs.

The Company has posted the Information Circular, and anticipates that the Company's audited financial statements for the year ended December 31, 2020 and the auditor's report thereon (the "**Annual Financial Statements**") and the related management's discussion and analysis (the "**Annual MD&A**") will be published, prior to the Meeting, on the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com) and on the Company's website at [www.worldcopperltd.com](http://www.worldcopperltd.com).

Although the Information Circular has been, and the Annual Financial Statements and the Annual MD&A (collectively with the Information Circular, the "**Meeting Materials**") will be, posted electronically online, subject to the provisions set out below under the heading "Advice to Non-Registered (Beneficial) Shareholders", the registered and non-registered shareholders (collectively, the "**Notice-and-Access Shareholders**") will receive a "notice package" (the "**Notice-and-Access Notification**") by prepaid mail, which includes the information prescribed by NI 54-101 and a proxy form or voting instruction form from their respective intermediaries. Notice-and-Access Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. **Shareholders are reminded to carefully review the Information Circular before voting.**

### Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER'S BEHALF AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES, OR BY COMPLETING ANOTHER FORM OF PROXY.** A Proxy will not be valid unless the completed, dated and signed Proxy is received by Computershare Trust Company of Canada, Proxy Department, at 8th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1 by 9:00 p.m. (Vancouver time) on May 12, 2021 or if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and holidays)

before the date to which the Meeting is adjourned or postponed. Telephone, fax and internet voting can be completed by following the instructions on the Proxy.

Late Proxies may be accepted or rejected by the Chairman of the Meeting at their discretion and the Chairman of the Meeting is under no obligation to accept or reject any particular late Proxy. The Chairman of the Meeting may waive or extend the Proxy cut-off without notice.

A Shareholder who has given a Proxy may revoke it by an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the Company, at Suite 2710 – 200 Granville Street, Vancouver, British Columbia, V6C 1S4, Attention: Marla Ritchie, Corporate Secretary, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

If you are a non-registered Shareholder, please follow the instructions from your bank, broker or other financial intermediary for instructions on how to revoke your voting instructions.

### **Exercise of Discretion**

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made. **If you do not provide instructions in your Proxy, the persons named in the enclosed Proxy will vote your shares FOR the matters to be acted on at the Meeting.**

The persons named in the enclosed Proxy will have discretionary authority with respect to any amendments or variations of these matters or any other matters properly brought before the Meeting or any adjournment or postponement thereof, in each instance, to the extent permitted by law, whether or not the amendment or other item of business that comes before the Meeting is routine or contested. The persons named in the enclosed Proxy will vote on such matters in accordance with their best judgment. At the time of the publication of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

### **Advice to Non-Registered (Beneficial) Shareholders**

The information set out in this section is important to many Shareholders as a substantial number of Shareholders do not hold their shares in their own name.

**Only registered Shareholders or duly appointed proxyholders for registered Shareholders are permitted to vote at the Meeting. Shareholders of the Company are "non-registered" Shareholders if the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares.**

More particularly, a person is not a registered Shareholder in respect of shares of the Company which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either (a) in the name of an intermediary (the "**Intermediary**") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans), or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

The Company has decided to use notice-and-access in accordance with NI 54-101 to deliver the Meeting Materials and accordingly, the Company will only be mailing the Notice-and-Access Notification to Non-Registered Holders as set out below.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies (such as Broadridge Investor Communication Solutions) to forward the Notice-and-Access Notification to Non-Registered Holders. Generally, if you are a Non-Registered Holder and you have not waived the right to receive the Notice-and-Access Notification you will either:

- (a) be given a form of **proxy which has already been signed by the Intermediary** (typically by a facsimile stamped signature) which is restricted to the number of shares beneficially owned by you, but which is otherwise not complete. Because the Intermediary has already signed the proxy, this proxy is not required to be signed by you when submitting it. In this case, if you wish to submit a proxy you should otherwise properly complete the executed proxy provided and deposit it with **Computershare Trust Company of Canada**, as provided above; or
- (b) more typically, a Non-Registered Holder will be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "proxy", "proxy authorization form" or "voting instruction form") which the Intermediary must follow. Typically, the voting instruction form will consist of a one-page pre-printed form. Sometimes, instead of the one-page printed form, the voting instruction form will consist of a regular printed proxy accompanied by a page of instructions that contains a removable label containing a barcode and other information. In order for the proxy to validly constitute a voting instruction form, the Non-Registered Holder must remove the label from the instructions and affix it to the proxy, properly complete and sign the proxy **and return it to the Intermediary or its service company (not the Company or Computershare Trust Company of Canada)** in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares that they beneficially own. If you are a Non-Registered Holder and you wish to vote at the Meeting in person as proxyholder for the shares owned by you, you should strike out the names of the management-designated proxyholders named in the proxy authorization form or voting instruction form and insert your name in the blank space provided. **In either case, you should carefully follow the instructions of your Intermediary, including when and where the proxy, proxy authorization or voting instruction form is to be delivered.**

The materials with respect to the Meeting are being sent to both registered Shareholders and Non-Registered Holders who have not objected to the Intermediary through which their shares are held disclosing ownership information about themselves to the Company ("**NOBOs**"). If you are a **NOBO**, and the Company or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary on your behalf.

If you are a Non-Registered Holder who has objected to the Intermediary through which your shares are held disclosing ownership information about you to the Company (an "**OBO**"), you should be aware that the Company does not intend to pay for Intermediaries to forward the materials with respect to the Meeting, including proxies or voting information forms, to **OBOs** and therefore an **OBO** will not receive the materials with respect to the Meeting unless that **OBO's** Intermediary assumes the cost of delivery.

## INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the current directors or executive officers, no proposed nominee for election as a director, none of the persons who have been directors or executive officers since the commencement of the last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, with the exception of the ratification and approval of the Company's Stock Option Plan.

On a show of hands, every individual who is present as a registered Shareholder or as a duly appointed representative of one or more registered corporate Shareholders will have one vote, and on a poll every registered Shareholder present in person or represented by a validly appointed proxyholder, and every person who is a duly appointed representative of one or more corporate registered Shareholders, will have one vote for each common share registered in the name of the Shareholder on the list of Shareholders, which is available for inspection during normal business hours at Computershare Trust Company of Canada and will be available at the Meeting. Shareholders represented by proxyholders are not entitled to vote on a show of hands.

To the knowledge of the directors and executive officers of the Company, based on public information, there are no persons or companies who beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying 10% or more of the voting rights attached to all of the issued and outstanding common shares as at the Record Date other than as set out in the table below.

None of the current or former directors, executive officers, employees of the Company, the proposed nominees for election to the board of directors of the Company (the "**Board**" or "**Board of Directors**"), or their respective associates or affiliates, are or have been indebted to the Company or its subsidiaries as at the date of this Information Circular or since the beginning of the last completed financial year of the Company.

## INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as disclosed herein, since the beginning of the Company's last financial year, no "informed person" of the Company (including a director, officer or individual or corporation that beneficially owns or controls 10% or more of the issued and outstanding voting securities of the Company), proposed nominee for election as a director of the Company ("proposed director"), or any associate or affiliate of any informed person or proposed director, has any material interest, direct or indirect in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries. ### Stock Option Plan and Other Incentive Plans

The Company adopted a stock option plan on November 20, 2006 (the "**Legacy Plan**"), prior to the completion of its initial public offering. The terms of the Legacy Plan provide that the number of common shares of the Company which may be reserved for issuance under the Legacy Plan (together with all other share compensation arrangements of the Company) shall not exceed 10% of the number of common shares of the Company outstanding at the closing of the initial public offering. There are currently no options outstanding under the Legacy Plan.

The Company intends to seek shareholder approval for a new stock option plan (the "**Stock Option Plan**") at the Meeting. The Stock Option Plan is a "rolling" stock option plan, and therefore it is a condition of TSX Venture Exchange ("**TSXV**") approval of the Stock Option Plan that shareholder approval be obtained annually. At any one time a maximum of 10% of the issued common shares of the Company are reserved for the exercise of options granted under the Stock Option Plan.

A summary of the material terms of the Stock Option Plan are set out below, which summary is intended as a brief description of the Stock Option Plan and is qualified in its entirety by the full text of the Stock Option Plan, which will be made available on the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com).

#### *Eligible Participants*

Options may be granted under the Stock Option Plan to directors or officers of the Company or an affiliate of the Company (in this section collectively, the "Directors"), employees of the Company or a subsidiary of the Company (in this section collectively, the "Employees"), consultants of the Company or a subsidiary or affiliate of the Company (in this section collectively, the "Consultants"), or an Eligible Charitable Organization (as defined in the Stock Option Plan). The Board, in its discretion, determines which of the Directors, Employees, Consultants or Eligible Charitable Organizations will be awarded options under the Stock Option Plan.

#### *Number of Shares Reserved*

The number of common shares in the capital of the Company which may be issued pursuant to options granted under the Stock Option Plan may not exceed 10% of the issued and outstanding common shares at the date of granting of options (including all options granted by the Company prior to the adoption of the Stock Option Plan and thereunder). Options which are cancelled or expire prior to exercise continue to be issuable under the Stock Option Plan. Options which may be grants to Optionees who are engaged or employed in Investor Relations Activities (as defined in the Stock Option Plan) during any 12-month period shall not exceed in the aggregate 2% of the issued and outstanding Company Shares, calculated at the date such Options are granted.

#### *Term of Options*

Subject to the termination and change of control provisions noted below, the terms of any option granted under the Stock Option Plan is determined by the Board and may not exceed ten years from the date of grant.

#### *Exercise Price*

The exercise price of options granted under the Stock Option Plan is determined by the Board, provided that it is not less than the Discounted Market Price, as that term is defined under applicable TSXV policies or such other minimum price as is permitted by the TSXV in accordance with the policies, as amended from time to time, or, if the common shares are no longer listed on the TSXV, then such other exchange or quotation system on which the common shares are listed or quoted for trading. The exercise price of options granted to insiders may not be decreased without disinterested shareholder approval at the time of the proposed amendment.

#### *Limitations*

For so long as the Company Shares are listed on the TSXV, the number of common shares, calculated at the date such options are granted, reserved for issuance to:

- (a) any one option holder pursuant to options granted to such option holder during any 12-month period shall not exceed 5% of the issued and outstanding Company Shares;
- (b) any one option holder, who is a Consultant, in respect of options granted to such Consultant during any 12-month period shall not exceed 2% of the issued and outstanding Company Shares;
- (c) all option holders who are engaged or employed in Investor Relations Activities, as defined under applicable TSXV policies, during any 12-month period shall not exceed in the aggregate 2% of the issued and outstanding Company Shares; and

- (d) Eligible Charitable Organizations shall not at any time exceed 1% of the issued and outstanding Company Shares.

#### *Vesting*

Subject to the vesting and change of control provisions noted below, all options granted pursuant to the Stock Option Plan will be subject to such vesting requirements as may be prescribed by the TSXV, if applicable, or as may be imposed by the Board of Directors. If the option holder is a Consultant providing investor relations services any option granted to the Consultant under the Stock Option Plan must vest in stages over at least 12 months with no more than one quarter of the option vesting in any three-month period.

#### *Termination of Options*

Any options granted pursuant to the Stock Option Plan will terminate upon the earliest of:

- (a) the end of the term of the option;
- (b) if the termination is as a result of dismissal for cause, the date of such termination for just cause;
- (c) where an optionee's position as an Employee, Consultant or Director terminates for a reason other than the optionee's death or termination for just cause, 90 days after such date of termination;
- (d) if the termination is as a result of the optionee's death, then such options may be exercisable by the legal heirs or personal representatives of the optionee for a period to be determined by the Board, which date shall not be less than three months and not more than six months from the date of death;
- (e) the date of any sale, transfer, assignment or hypothecation or any attempted sale, transfer, assignment or hypothecation, of such option in violation of the Stock Option Plan; or
- (f) the occurrence of certain other termination events, as set-out in the Stock Option Plan.

The Board may from time to time amend or terminate the Stock Option Plan or any options granted thereunder, provided that no such amendment or termination may be made (except with the written consent of the holders of options under the Stock Option Plan concerned or unless required to make the Stock Option Plan or the options granted thereunder comply with the rules and policies of the TSXV) that affects the terms and conditions of options granted under the Stock Option Plan which have not been exercised or terminated.

The Stock Option Plan does not permit stock options to be transformed into stock appreciation rights.

#### **Employment, Consulting and Management Agreements**

The Company did not have any agreement or arrangement under which compensation was provided during the most recently completed financial year or is payable in respect of services provided to the Company or any of its subsidiaries that were performed by a director or Named Executive Officer or performed by any other party but are services typically provided by a director or a Named Executive Officer.

#### **Compensation Discussion and Analysis**

The Company has not established a compensation committee nor has the Company adopted any formal compensation policies. Currently, the Board functions as the compensation committee of the Company for the purpose of reviewing, on an annual basis, the adequacy and form of compensation of directors and

executives to ensure that such compensation reflects the responsibilities, time commitment and risks involved in such roles or positions.

### Pension Plan Benefits

The Company does not currently have a pension plan that provides for payments or benefits to the directors or Named Executive Officers at, following, or in connection with retirement.

## CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* of the Canadian Securities Administrators requires the Company to annually disclose certain information regarding its corporate governance practices. That information is disclosed below.

### Board of Directors

The Board has responsibility for the stewardship of the Company, including responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), approving and monitoring the Company's significant policies and procedures, including with respect to communications with investors and the financial community, and the integrity of the Company's internal control and management information systems.

The Board currently consists of five directors, three of whom are independent based upon the tests for independence set forth in National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators ("**NI 52-110**"). Matias Herrero, Roberto Fréaut and Timothy McCutcheon are independent. Patrick James Burns is not independent by virtue of serving as President of the Company, and Hendrik van Alphen is not independent by virtue of serving as Chief Executive Officer of the Company.

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

Since the beginning of the Company's last financial year, the independent directors did not hold any ad hoc meetings without the non-independent directors and management.

When a matter being considered involves a director, that director does not vote on the matter. As well, the directors regularly and independently confer amongst themselves and thereby keep apprised of all operational and strategic aspects of the Company's business.

At this time, the Board does not have a Chairman. In the absence of a Chairman and in accordance with the articles of the Company, the President of the Company is responsible for presiding over all meetings of the directors and shareholders. The independent directors have significant experience as directors and officers of publicly traded companies or as members of the financial investment community and therefore, do not require the guidance of an independent Chairman of the Board in exercising their duties as directors.

### **Board Mandate**

The Board has not adopted a written mandate or code setting out the Board's roles and responsibilities, since it believes it is adequately governed by the requirements of applicable corporate and securities law which provide that the Board has responsibility for the stewardship of the Company and codifies the directors' fiduciary duties. That stewardship includes responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems.

### **Descriptions of Roles**

The Board has not established specific written position descriptions for the Chief Executive Officer or the chair of any committee of the Board. The Board does not currently believe that such position descriptions are necessary and expects to adopt position descriptions if and when the need arises.

### **Other Directorships**

The following table sets out the directors of the Company who are currently directors of other reporting issuers:

<b>Name of Director</b>	<b>Name of other Reporting Issuer</b>
Hendrik van Alphen	Cardero Resource Corp. Ethos Gold Corp. Gelum Capital Ltd. Latin Metals Inc. Wealth Minerals Ltd.
Patrick James Burns	GoldHaven Resources Corp.

Name of Director	Name of other Reporting Issuer
Timothy McCutcheon	Kenadyr Mining (Holdings) Corp. Ovoca Bio PLC

### **Orientation and Continuing Education**

While the Company does not have formal orientation and training programs, new Board members are provided with:

- (a) information respecting the functioning of the Board, committees and copies of the Company's corporate governance policies;
- (b) access to recent and historical, publicly filed documents of the Company, management reports and the Company's internal financial information; and
- (c) access to management, technical experts and consultants.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

### **Ethical Business Conduct**

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to shareholders. In order to encourage and promote a culture of ethical business conduct, the Company has adopted a Code of Conduct (the "**Code**"), a copy of which has been filed on the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com).

The Board has instructed its management and employees to abide by the Code and to bring any breaches of the Code to the attention of the appropriate committee of the Board. Compliance with the Code is monitored primarily through the reporting process within the Corporation's organizational structure.

### **Nomination of Directors**

The Board of Directors considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual general meeting. The Board takes into account the number of directors required to carry out the Board's duties effectively and to provide the required skills, independence and experience.

The Board has not established a nominating committee and this function is currently performed by the Board as a whole.

### **Assessments**

The Board of Directors has not established a formal process to regularly assess the Board and the Audit Committee with respect to their effectiveness and contributions. Nevertheless, their effectiveness is subjectively measured on an ongoing basis by each director based on their assessment of the performance of the Board, the Audit Committee or the individual directors compared to their expectation of performance. In doing so, the contributions of an individual director are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

## **Compensation**

The Board of Directors, as a whole, acts as the Company's compensation committee. The performance of the President and Chief Executive Officer, Chief Financial Officer and other senior management of the Company is evaluated by the independent Board members and measured against the Company's business goals and industry compensation levels. During the financial year ended December 31, 2020, the Board did not retain any such outside consultants or advisors to assist in the determination of compensation for any of the Company's directors or executive officers.

## **Other Board Committees**

The Board of Directors has no other standing committees other than the Audit Committee (as defined below).

## **AUDIT COMMITTEE**

NI 52-110 requires the audit committee of the Board (the "**Audit Committee**") to meet certain requirements. It also requires the Company to disclose in this Information Circular certain information regarding the Audit Committee. That information is disclosed below.

### **Overview**

The primary function of the Audit Committee is to assist the Board in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Audit Committee is also mandated to review and approve all related party transactions which may be entered into by the Company.

### **Composition of the Audit Committee**

Unless an issuer is a "venture issuer" (an issuer, the securities of which are not listed or quoted on any of the Toronto Stock Exchange, a market in the United States other than the over-the-counter market, or a market outside of Canada and the United States) as of the end of its last financial year, NI 52-110 requires each member of an issuer's audit committee to be independent and financially literate. Since the Company is a "venture issuer", it is exempt from this requirement.

As of the date hereof, the Audit Committee consists of the following members: Matias Herrero (Chairman), Roberto Fréaut and Timothy McCutcheon. Each member of the Audit Committee is considered to be financially literate in that they have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

Two of the three current members of the Audit Committee, being Roberto Fréaut and Timothy McCutcheon, are considered independent as defined by NI 52-110. Matias Herrero is not considered independent as he is a director and officer of Escalones Resource Corp., a "control person" of the Company as defined by applicable securities laws. To be considered to be independent, a member of the Audit Committee must not have any direct or indirect "material relationship" with the Company. A material relationship is a relationship which could, in the view of the Board reasonably interfere with the exercise of a member's independent judgment.

The members of the Audit Committee are elected by the Board at its first meeting following the annual Shareholders' meeting. In the event that the Board does not elect a Chairman of the Audit Committee, the members of the Audit Committee may elect a Chairman by a majority vote of the full Audit Committee membership.

### **Relevant Education and Experience**

In addition to each member's general business experience, each of the Audit Committee members has the ability to read and understand financial statements and has held director or officer positions with other reporting issuers in the mineral exploration and mining sector where he has been actively involved in financing and fundraising activities. See "*Corporate Governance Disclosure - Other Directorships*" above and "*Particulars of Matters to be Acted Upon – Election of Directors*" below.

### **Audit Committee Charter**

The Company has adopted the Audit Committee charter, which sets out the Audit Committee's mandate, organization, powers and responsibilities, a copy of which is attached hereto as Appendix A (the "**Charter**").

### **Audit Committee Oversight**

Since the commencement of the Company's most recently completed financial year, the Company's Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

### **Reliance on Certain Exemptions**

At no time since the commencement of the Company's most recently completed financial year has the Company relied on an exemption from NI 52-110.

### **Pre-Approval Policies and Procedures**

Pursuant to the Charter, the Audit Committee reviews the performance of the Company's external auditors, and approves in advance all audit and audit-related services and fees and other related compensation, as well as any non-audit services provided by the Company's external auditors. The pre-approval requirement may be waived with respect to the provision of non-audit services in accordance with the requirements of NI 52-110. For more information, please see the Charter of the Audit Committee attached hereto as Appendix A.

### **External Auditor Service Fees**

The following table sets out the fees paid by the Company to its auditors in its two most recently completed financial years:

<b>Financial Year Ended</b>	<b>Audit Fees <sup>(1)</sup></b>	<b>Audit Related Fees <sup>(2)</sup></b>	<b>Tax Fees <sup>(3)</sup></b>	<b>All Other Fees <sup>(4)</sup></b>
December 31, 2020	\$39,000	\$Nil	\$Nil	\$Nil
December 31, 2019	\$Nil	\$Nil	\$Nil	\$Nil

Notes:

- (1) The aggregate fees billed by the Company's auditor for audit fees.
- (2) The aggregate fees billed for assurance and related services by the Company's auditor that are reasonably related to the performance of the audit or review of the Company's financial statements and are not disclosed in the "Audit Fees" column.

- (3) The aggregate fees billed for professional services rendered by the Company's auditor for tax compliance, tax advice, and tax planning.
- (4) The aggregate fees billed for professional services other than those listed in the other three columns.

### **Venture Issuer Exemption**

Since the Company is a "venture issuer" as defined in NI 52-110, it relies on the exemption contained in Section 6.1 of NI 52-110 (*Venture Issuers*) from the requirements of Part 5 (*Reporting Obligations*) of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in the Company's Annual Information Form, if any, and this Circular).

## **PARTICULARS OF MATTERS TO BE ACTED UPON**

### **Financial Statements**

The Annual Financial Statements and the Annual MD&A will be placed before the Meeting for consideration by the Shareholders. As the Board has approved the Annual Financial Statements, the auditor's reports thereon, and the Annual MD&A, no Shareholders' vote needs to be taken thereon at the Meeting. The Annual Financial Statements and the Annual MD&A will be published on the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com).

### **Appointment and Remuneration of Auditor**

Smythe LLP, Chartered Professional Accountants, of 1700 – 475 Howe Street, Vancouver, British Columbia, were appointed as auditors of the Company in connection with the resignation of Davidson & Company LLP, Chartered Professional Accountants, at the Company's request effective January 22, 2021.

The resignation of Davidson & Company LLP and the appointment of Smythe LLP as the Company's auditor have been considered and approved by the Audit Committee and the Board. Each of the Company, Davidson & Company LLP and Smythe LLP have confirmed that the reports of Davidson & Company LLP on the Company's financial statements for the years ended July 31, 2020 and July 31, 2019 did not express a modified opinion and there have been no "reportable events" within the meaning of section 4.11(1) of NI 51-102.

The change in auditor reporting package was filed on January 22, 2021 on the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com) and a copy is attached hereto as Appendix B.

The management of the Company will recommend at the Meeting to appoint Smythe LLP as auditors of the Company for the ensuing year, and to authorize the directors to fix their remuneration.

**In the absence of instructions to the contrary, a properly executed and returned proxy will be voted for the appointment of Smythe LLP as auditor of the Company until the next annual general meeting of the Shareholders and to authorize the directors to fix the auditor's remuneration.**

### **Number of Directors**

Shareholders will be asked at the Meeting to approve an ordinary resolution to set the number of directors of the Company at five for the ensuing year. The Board recommends a vote "FOR" the approval of the resolution setting the number of directors at five. **In the absence of instructions to the contrary, a properly executed and returned proxy will be voted "FOR" the approval of the resolution setting the number of directors at five.**

## Election of Directors

The directors of the Company are elected at each annual general meeting of Shareholders. Each director so elected will hold office until the next annual general meeting of the Shareholders or until their successor is elected or appointed, unless their office is earlier vacated in accordance with the articles of the Company or the provisions of the *Business Corporations Act* (British Columbia).

Each of the persons named in the following table are proposed for nomination for election as a director of the Company. The Board recommends a vote "FOR" each of the nominees listed below. **In the absence of instructions to the contrary, a properly executed and returned proxy will be voted "FOR" the proposed directors set out below.** Management does not contemplate that any of the proposed directors will be unable to serve as a director.

The cease trade order was revoked on August 6, 2019.

### **Ratification and Approval of Stock Option Plan**

The Stock Option Plan is described under "*Stock Option Plan and Other Incentive Plans*". The policies of the TSXV require annual shareholder approval for stock option plans which reserve up to 10% of a listed company's shares for issuance.

Following Shareholder approval of the Stock Option Plan, any options granted pursuant to the Stock Option Plan will not require further Shareholder or TSXV approval unless the exercise price is reduced or the expiry date is extended for an option held by an insider of the Company.

Shareholders will be asked at the Meeting to consider, and if thought fit, to approve an ordinary resolution approving and ratifying the Stock Option Plan as follows:

"BE IT RESOLVED THAT:

1. The Company's Stock Option Plan (the "Plan") be and is hereby approved, confirmed and ratified, subject to the acceptance of the Plan by the TSX Venture Exchange (the "Exchange"); and
2. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver under the corporate seal of the Company or otherwise all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the Plan required by the Exchange or applicable securities regulatory authorities and to complete all transactions in connection with the implementation of the Plan."
